Would you like to view a lighting catalog from Vetter's Electric, Inc? We can provide any selection, style, and quality to serve your tastes and budget. Our prices are competitive with other lighting stores. With our service we supply the necessary lamps and full 1 - year warranty on all parts and labor on fixtures. If fixtures are supplied by others, styles and design need to be available for rough-in, and all fixtures, lamps and locations need to be on job site prior to final installation or extra charges will apply. No warranty on fixtures supplied by others.
